# ONE OF THE RESCUED TELLS STORY OF THE EXTENSION MINE EXPLOSION

# Thirty=two Dead, of Which 23 Bodies Have Been Brought to the Surface==A Boy When Been Brought to the Surface==Boy When Been Brought to the Surface=Boy When Been Brought to the Surface=Boy When Been Brought to the Surface=Boy When Been Brought to the Rescued Thinks Only of His Mother

coiliery company, near here yester-day morning, 32 miners lost their lives, and great damage was done to the mine property. Up to 10 o'clock this morning 23 bodies had been recovered, and nine more were known to be an another than the more were known to be a circus feat and he lives, and great damage was done to be entombed in the mine.

Since long before dawn a crowd of offers have come from nearly every women with tense, drawn faces, hold-western city. ing children by the hand, had been awaiting the mine train from Exten sien. 12 miles away, and when the train, which daily carries hundreds of miners from the Ladysmith homes, arrived it brought sixteen limp bundles on stretchers, covered with sheets. As they were passed out from the caboose, the name being whispe ed, a sobbing procession fell in behind and each body was carried away to a

miner's home on the hill.

The bodies of J. Ismaster, Alex Mc-Clellan, Robert White, Fred Ingham and William Steele were brought out of the mine this morning.

Alexander Shaw, the foreman, who

worked energetically with his son and others to rescue the men cut off b fire damp, says that the five found this morning were huddled in a row, eemingly as though they had been holding coat tails.

As narrated by Hislop, who was with their party, they ran up a stall, evidently to seek a short way, but when death overtook them they were less than a hundred feet from where Hislop and the eleven others had sat waiting when they heard the voices of the rescue party and broke through

Shaw told of having found a boy. Morris, a mule driver, on his hands and knees in a pool of mud, sobbing. "Oh, take me out-take me outmoaned the boy when he saw Shaw's afety lamp. "What will mother parts; xanthoxylum (prickly ash), one

Shaw lifted him, tucked him under his arm and ran up the slope.

All through the night the rescuers sought the still imprisoned bodies and the search continues today. There are many caves where coal has fallen

in the crosscuts and these are delaying rescue work. Thomas Hislop, who was one of the last of seven hundred miners and as who scurried from the Ex tension mine after the disastrous ex osion, gave a most graphic accoun

of the accident.

was working with sixteen men including five of the dead, on th first level when we heard the explo-sion," said Hislop. "We stood for a second in the darkness as our lamp went out. We started through the through. The deadly blackdamp was choking us as we fought our way were lower in most cases. United into level No. 3. There five of the States Steel opened with sales of 18, men succumbed and we knew the gas had got them. We were getting weak with 90 1-4 yesterday. The preferred as the gas became more dense. We was also down 3-4. Missouri Pacific as the gas became more dense could scarcely breathe and in our drums. We gave up hope and sat Sault Ste Marie large fractions. Unitdrums. We gave up hope and sat down to wait for death. Then we heard a shout and next saw the foreman, Davidson, who lost his son in the mine, coming. We went through the stoping and crawled to safety." There is no fire in the mine. It is expected that work will be resumed in less than a week. The mine has a daily output of 1,400 tons.

No. 4 west level, gave his life for a ket was disengaging at 11 o'clock.

Atchison stiffened a fraction of arm around J. Ismaster, whom he had refused to leave. White had wavered whether he should follow Hislop, Colter, Gilson, Redford and othwho were rescued by Alexander and James Shaw and David Davidson. decided to remain with Ismaster
